**Important Notes for parents/guardians:**

- 1) West Rouge is an allergen free school and we ask that no nuts or nut products are sent to school (including Nutella) as we have numerous students with life threatening allergies. This year we also have a staff member who is allergic to fragrances so please refrain from using scents when visiting the school.
- 2) Please use the drop off program in the morning, or park in a legal spot in the lot or on the street. After school please circle around and head out of the driveway if your child is not waiting for you. We must get the buses in and out quickly. There is **NO PARKING** in the circular drive at any time as it is a fire route.
- 3) Please return the office index cards with the appropriate changes made in red ink on the form. We need up to date phone numbers in case of emergency. If info changes during the year, please inform us immediately.
