Friday, November 3, 2017

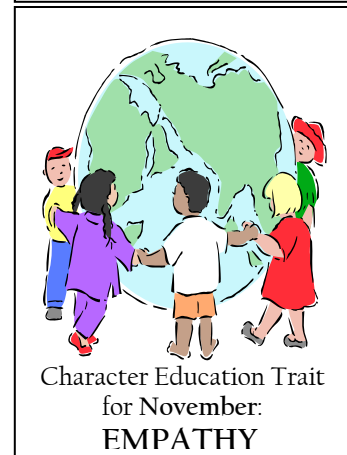

Day 2

Lego Team 11:30 in the library  
Jr Boys Volleyball 3:30 - 4:30

### The Importance of Regular Attendance:

Students who miss 10% of school days are considered "persistent absentees" by the Ministry. This has an extremely negative impact on learning. Students who miss 15 days per year will have missed the equivalent of a full year of school by Grade 12.

**Please ensure your child is not chronically absent or late!**

### Upcoming Dates or Announcements:
