Day 5

On behalf of the entire West Rouge staff we want to wish each and every one of you a tremendous holiday filled with rest, fun and family.

I also want to take a moment to thank you for your extremely generous donations to our initiatives. The angel tree was an overwhelming success, as was the winter clothing drive for Heroes in Black, and we raised over \$1070 dollars for our Weco charity. We are very fortunate to be in such a wonderful caring community that understands the importance of helping others and ensures that this important lesson is passed on to our students.

Have a wonderful holiday and all the best in 2018 !

T. Vine
