## SPECIAL ANNOUNCEMENTS & REMINDERS

**Co-Op Students:** We have a few Co-op students from Mowat C.I. who will be completing their placements here at West Rouge over the coming months. They will be working under direct supervision and will be assisting within classrooms to lead centres, read with students, help with bulletin boards etc. Co-op students will not be teaching lessons or assessing student work and will always be under the direct supervision of a West Rouge staff member. We hope that this opportunity will give your child an additional positive relationship with an older mentor and will give the co-op students a meaningful work experience.

**Attendance:** Please do your very best to have your children at school on time each morning. We do have supervision in our yard beginning at 8:25 am each morning so feel free to beat the traffic and drop students off beginning at that time.

Please remember to call Mrs. Allen in the main office if your child is going to be absent from school. You can call at any hour and leave a voicemail message. Please call before 8:30 am. Thank you for working together on this!
