SPECIAL ANNOUNCEMENTS & REMINDERS

Toronto Police Parking Blitz: We have been informed that the Toronto Police will be conducting a parking blitz near local schools in the coming weeks. Just a friendly reminder that parking in the round-about is prohibited as this is a fire route. Please use the kiss and ride to drop off students or park on local streets where parking is permitted if you are walking students to the door yourself.

Ice/Snow Removal: We are aware of concerns about the ice and snow removal particularly on the pathways that lead into the community. Mr. Middlemas has worked hard to ensure a clear path around our building and to all entry/exit doors. We have been working with TDSB Grounds Crews and the City of Toronto to ensure that the areas each group is responsible for have been ploughed and salted. Please continue to let us know of any concerns so that we can contact the appropriate department depending on the specific location of the concern.

March Break: The March Break will take place from March 9th to March 17th. During this time the school will be closed. We wish everyone a safe and relaxing week off!
