WEDNESDAY, APRIL 3	•
THURSDAY, APRIL 4	•
FRIDAY, APRIL 5	•

SPECIAL ANNOUNCEMENTS & REMINDERS

Eco-Schools: Thank you to everyone who donated clothing and other textiles to our Bags to School campaign this week. This program helps to divert these items from landfills and earns the school a small amount of money that will go back into our Eco-Schools program to purchase flowers for our planters this spring. Thank you for your help on our quest to maintain our platinum eco status.

Spring Has Sprung: It is great to see the snow melt and the spring weather arrive. Please consider sending extra clothes with your child if you don't already do this as puddles and wet ground do sometimes result in clothing getting wet or muddy. We will close the field to students when conditions become too muddy, but do try to get outside as often as possible for fresh air and exercise.

Maker Space: Our maker space has opened and has started to be used by classes to design and build a variety of projects. Check out our grade 5's first creations in the picture on page 1! We look forward to every child having some experiences in this space this spring.
