SPECIAL ANNOUNCEMENTS & REMINDERS

First Day Forms: A majority of the first day forms (medical, walking excursions, media release etc) that you are used to receiving in paper form have gone digital this year. You should have received an email from the TDSB with instructions and a link to complete these forms digitally if there is a current email on file. If you did not receive this email please let us know ASAP as we will need to get you a paper copy of these important forms. Thank you to those who have completed the forms already!

Code of Conduct: Our updated Code of Conduct and other important information is published at the front of the student agendas. We have gone over this information with all students and encourage you to read through it together as a family if you have not already done so. For students who do not purchase a school agenda and for kindergarten students who do not receive them, the pages are available on the school website:
