SPECIAL ANNOUNCEMENTS & REMINDERS

First Day Forms: Please use the link that was emailed to you to complete the required forms (walking excursion, media release etc) if you have not already done so. If you have not received the email with the link by now, please let us know in the office as we may not have an up-to-date email address on file.

Parking Lot: Thank you to those who are using the kiss and ride drop off or are parking on local side streets when dropping off students. As you are probably aware we have very limited parking in our lot and most spaces are needed for staff parking. We appreciate everyone's cooperation to ensure a safe and efficient drop off for all of our students.

Curriculum Night: We would like to invite all of our families to our annual curriculum night on Wednesday beginning at 6:30 pm. There will be staff introductions and a brief welcome in the gym followed by an opportunity to visit classrooms and learn about the program this year.

Terry Fox Run: West Rouge will be participating in the Terry Fox Run and fundraising for cancer research again this September. Thank you to Mr. Smith for leading organizing this event for our school again this year. Please see the information below for details and a link to our school fundraising page if you wish to make a donation to this important cause:

West Rouge Junior Public School will be participating in this year's Terry Fox School Run for cancer research. We are proud to continue the legacy of one of our country's greatest heroes. We hope you will join us and support this wonderful cause by donating to our Terry Fox School Run fundraising page at: <http://www.terryfox.ca/WestRougeJPSScarborough>

Thank you! The future of cancer research has never looked brighter! #terryfoxliveshere @theterryfoxfoundation #terryfoxschoolruns

School Yard/Street Safety: With recent incidents in the news, it is a good reminder to have conversations with your children about the importance of not picking up sharp/dangerous items from the ground. Staff will be continuing to incorporate these safety talks into their classrooms. For more information please see the article below:
