## SPECIAL ANNOUNCEMENTS & REMINDERS

**Cross Country:** We are so proud to have had over 100 students run as part of our team this year. Many students trained with us each morning and few who could not make those times did some training with family members in the evenings. A big thank you to our parent supporters and drivers this season. Transporting over 100 runners is not a small task! Thank you as well to our coaches, Ms. Genco, Mrs. Hummel, Mrs. Key, Mrs. Ventresca, and Mrs. Ferguson, for your time and effort this fall. We have a quick turnaround to the finals which happen on Monday. Top 30 runners plus top 4 teams move on.

**Kiss and Ride:** Our grade 6 Safety Patrollers have been training by the Toronto Police and will be starting in the mornings very soon. We are hoping that their presence will help to ensure a safe and quick drop off for students. For younger students who may want or need to be walked to the door we do ask that you find appropriate parking and walk in from the side streets. Please remember that our kiss and ride is a fire route that is enforced by the Toronto Police who have issued tickets to drivers who have parked and left their car in this area. Cars parking in the kiss and ride also make it very difficult for our school buses to get in and pick up our students. We appreciate everyone's effort to ensure the safety of all students in our parking lot area each day. Toronto Police have informed us they will be ticketing for this offense at schools in the coming weeks.
