FRIDAY, NOVEMBER 22	<ul style="list-style-type: none">• SST Meeting-AM

SPECIAL ANNOUNCEMENTS & REMINDERS

Remembrance Day: Our annual Remembrance Day assembly will begin at 10:30 am on Monday. All are welcome to attend. Our students will be speaking and performing to show their respect for this important day.

Junior Choir Members: Choir members are asked to come to school wearing a white top and black bottoms on Monday. They will receive a poppy at school, but are welcome to come wearing their own.

SAC Purchases: We want to thank our SAC members who voted on spending initiatives for our school at the last meeting. The money raised from events such as pizza lunches and the Fun Fair last year will go directly to supporting all of our students. The decisions made include funding a second class set of 30 Chromebooks to get technology into our student's hands in a meaningful and regular basis. SAC will also be covering the cost of repair for our four basketball nets and will be adding a triple hoop structure for primary students. We will also be investing in additional bench seating for our lunchroom. Thank you to all parents who supported these initiatives, you are benefiting all of our students!

Sensory Pathway: Our staff are now educating students on the many proper and intentional ways of using our sensory pathway. We are hoping that through regular use this will help our students to regulate and re-focus at times of the day when this might be needed and have an outlet for releasing their energy. If you are interested in learning more about the pathway and how it is intended to be used, please visit the following website:

<https://sites.google.com/tdsb.on.ca/sensory-path/home>

Ticks: As you may be aware, the Rouge does have a presence of ticks, which in rare cases can carry lime disease. We have learned this week of ticks being found in our local school area. We are sharing the following information from Toronto Public Health about ticks so that you can be aware and check your children daily for these. Discovery and removal of ticks within 24 hours is important. For more detailed information about ticks, how to spot them, how to remove them, and what to do if you find one on your child please visit the following link:

<https://www.toronto.ca/community-people/health-wellness-care/health-programs-advice/lyme-disease/>

We Scare Hunger: Our WECO team is collecting non-perishable food items for our food drive. Donations can be dropped off in the front foyer (outside of the gym) until Monday.
