Snow Clearance: A big thank you to Mr. Middlemas who came in last weekend to clear the large snowfall from around our walkways and doorways. We know that some main walkways are not passable due to massive snow piles. We have requested to have the snow removed and hope to have this work done soon.

Secondary School Review: While you may be a few years out from Secondary School please be aware that the TDSB is currently undertaking a Secondary Schools Program Review to ensure that all students have equitable access to programs and opportunities within the TDSB.
