## SPECIAL ANNOUNCEMENTS & REMINDERS

**Pizza Lunch:** Orders for March, April, May, and June pizza lunches are due by March 6<sup>th</sup>.

**Kiss n' Ride Drop Off:** Please remember that the drop off circle is a fire route and parking/idling for prolonged time is illegal. Toronto Police do ticket from time to time for this violation at schools. If you are using the drop off for its intended purpose, please pull forward as far as you can to the first Safety Patroller so that as many cars as possible behind can safely drop off students at the same time to keep the traffic flow moving. If you wish to walk your child to their entry door please park on local streets and walk in with them to avoid blocking the fire route. We appreciate everyone's attention to this to ensure our students safety.

**Staffing Updates:** We welcome back Ms. Genco on Monday! Thank you to Ms. Anand who has worked hard to cover this class since December. We also want to thank Ms. Gofton who has been in Mrs. Shkolnik's class since late January. She will be finishing her time with us this week. In her place, Ms. Anand will take over that class until Mrs. Shkolnik can return.

**Elementary Teachers Job Action:** Please continue to watch local media for updates about potential strike action. At this time, we have not heard of strike dates for next week. In the event of a strike, schools will be closed.

**School Start/End Times:** There has been a lot of information in the media about some TDSB elementary schools having their start/end times altered next year for changes to bussing. Please know that West Rouge has NOT been affected by these changes and we anticipate our start and end times to the day being similar to this year. If you want more information about this change or to see the list of schools that are affected please visit the following link:
