SPECIAL ANNOUNCEMENTS & REMINDERS

Permission Click Digital Forms:

A link to the digital permission forms for things like media release and walking excursions have been emailed to parents by the TDSB. We have nearly 100 of 214 completed! Please check your inbox/junk mail folder for this TDSB email if you have not received and completed the permissions.

Student Agendas:

Our primary students have received agendas this year. The cost is \$6 and can be paid through the school cash online system. We are asking that payment is received by Sunday. Our junior students are trying out alternative options this year and this is something we will seek feedback on later this year to decide whether we continue traditional agendas with primary students beyond this year or not. Thank you to those who have paid already.

Safety Patroller Program:

We are happy to announce that the Safety Patroller Program will run at our school again this year. Our grade 6 students are currently being trained by Toronto Police. We hope to have grade 6 students in their bright green vests in our drop off area each morning to welcome and assist our younger students safely entering our school yard in just over a week. We hope that this program will help to keep the traffic moving safely in our drop off area.

Virtual School Assemblies:

We will be starting our monthly assemblies on October 30th. These are great opportunities to virtually bring our school together as a large group and to recognize the work being done in various classrooms. We also hope to connect the assemblies to different spirit days to help bring some fun to our students during a tough time. On October 30th the theme will be Halloween and students may decide to wear a costume to school that day.

Parents as Partners Conference:

This first ever conference will be held October 24 and 25. For more information and to register visit:
